Dear Parents,

Time has certainly passed by quickly and it’s hard to believe that we have arrived at the end of another term (Term Two concludes at 1 pm this Friday).

We have enjoyed an extremely busy term and events such as Passion Project Expo, excursions and incursions, Mother’s Day Breakfast, Hot Food Days, and a variety of sporting events (including Interschool Sports and our District Cross Country success) were just some of the highlights during the past months.

Last week was the Year 5 Passion Project Expo which was a great celebration of this new initiative. The engagement levels of students and the body of work presented has been sensational!

Once again I would like to take this opportunity to thank the following people:

- The Parent’s Association who continue to provide yummy hot food days.
- The parent helpers who have provided support for our classroom teachers.
- Our Year 6 children who have done an impeccable job in leading the school.
- The staff at St. Francis for their hard work and dedication to the children.
- The school community for your support.
- And finally, thank you to all the beautiful children who bless our school with smiles and laughter every day.

**EUCHARIST CELEBRATIONS**

Congratulations to the children of Year 3P, Year 3R, and Year 3A who celebrated their First Eucharist over the weekend. Having only a class at a time has meant the church was comfortably full. Over the 2 weekends there were very few in the foyer and the Year 3 students and families were able to enjoy a reverent and pleasant celebration. I would like to thank all our parents and staff for supporting the Year 3 students over the last fortnight. In particular I would like to acknowledge our Religious Education Leader, John Dwyer for all his work assisting the teachers and children.

**A BIG THANK YOU TO THE CHILDREN AND MRS. THERESA EGGLEZOS WHO SANG IN THE CHOIR AT THE EUCHARIST MASSES OVER THE WEEKEND. THEY SANG BEAUTIFULLY AND BROUGHT A SENSE OF REVERENCE TO THE CEREMONIES.**

FROM THE ACTING PRINCIPAL
2017 PREP ACCEPTANCE LETTERS

We have mailed out offers of places for Prep 2017. **Acceptances should have been returned to the School by Wednesday, 15th June to confirm your child’s place for 2017.**

If you have not returned your acceptance please do so immediately.

YEAR 5 PASSION PROJECTS EXPO

What another amazing night! I was so proud of our Year 5 students. They had put a lot of time and effort into the night and it was heartening to watch them all take ownership of their expo. I enjoyed the meal prepared by the Kitchen Garden team and was impressed by the talent displayed at our Art Show. The Robotics and Science classes were able to show us some incredible stuff and the performance of Oliver Twist was like it was performed by a professional theatre company. The ICT in this school continues to be incredibly strong and this was evident when viewing the TV reports. Mr. McCarthy and his students were out in the cold displaying what they do during their Health and Fitness lessons.

I would like to take this opportunity to thank our amazing teachers. What they are able to support our students in achieving is beyond belief. We are very blessed to have the calibre of teachers we do at St. Francis and their commitment to the student’s education was displayed with their willingness to work tirelessly to make the night a success.

PARENT/TEACHER/STUDENT INTERVIEWS

JUNE REPORTS

Tomorrow afternoon the students will bring home their June Report. We are very proud of all our students’ individual and personalised achievements. The June Report has two parts these include; The Summary Report and the Learning Assessment Journal. We ask that you spend some time discussing your child’s achievement and recognise the growth they have made with their learning this Semester. To assist with the discussion, we have provided a Reflection and Evaluation Form (pale yellow in colour). Please use this as a prompt to guide the conversation about your child’s June Report.

IMPORTANT:

Please return the Learning Assessment Journal on Wednesday 22nd June at the scheduled Parent, Teacher and Student Interview. It will form the basis of the conversation and assist with future goal setting in learning.

Parents are warmly invited to attend a Positive Parenting session to be held on Thursday the 28th July from 2.30 pm—3.30 pm in the School Hall. The session will be presented by Patrice Wiseman from Catholic Education Melbourne. Patrice has recently worked with the staff on the implementation of a positive approach to supporting and managing student behaviour. Patrice is a highly credentialed authority in this field and her strategies for promoting positive behaviours when dealing with young children are both practical and effective. I highly recommend this workshop to all parents as its content will be applicable to children of all ages and all personality types.

This session encourages parents to reflect on their own parenting style, learn some great simple strategies and understand the behavioural support processes that are being implemented within the school environment. It will also provide another valuable opportunity for the home and school to work together in partnership for the benefit of your child.

If you would like to attend this session, please complete the expression of interest slip below and return to the school office by Friday the 22nd July.

PLEASE COMPLETE AND RETURN TO THE SCHOOL OFFICE
BY FRIDAY 22ND JULY, 2016

Name: . . . . . . . . . . . . . . . . . . . . . . . . . .
This semester we have lots to celebrate in regards to great learning and teaching practices. Here are some highlights from this Semester’s Inquiry. I am very fortunate in my role to witness great learning.

**LEARNING FROM OTHER ADULTS.**
An important part of any inquiry is learning from experts within and beyond our school. Through this learning opportunity, students engage with the experiences of others. An important aspect of this learning is welcoming and thanking our visitors for their time and expertise. Students ask questions, take notes and deepen their understanding. In these photos we see students spending time with our Italian Social Group and welcoming Moira Kelly to our school.

**EXPLORING AND INVESTIGATING- LEARN BY DOING.**
When students engage in learning there are many ways of finding out new information- we can use books and technology. Another important way of learning is through doing. In this picture we see children exploring "What makes products work?" They are making observations and recording their findings while working with others. Great job Year 4.

**SHARING OUR LEARNING WITH OTHERS.**
Having an authentic audience to show case our learning is important. Research says, we fully understand when we can teach others. Through this process, students have the opportunity to communicate effectively using eye contact and voice projection. In this photo, we see Year 3 students sharing their learning with younger Year 2 students. A great way to spark interest and excitement in young learners is to be inspired by their older peers. Their excited faces reflect wonder and awe about a Science Experiment. This is a great feature of inquiry learning as it fosters natural curiosity.

*Delfina Pieri*
Director of Learning and Teaching
Our congratulations are extended to all Year Three students who received their First Eucharist over the past three weekends. The ceremonies were beautiful examples of the love and excitement the Sacraments bring to our lives. On behalf of the students and their families, I would like to express my thanks to the many people who contributed enormously to the success of these celebrations. I would like to acknowledge Father Anthony, Father George, all members of our parish and school choirs, the school office staff, Adrian and the team from Arthur Reed Photographs as well as Jill and members of the Parish who prepared our church so beautifully. I also extend my sincere thanks to the altar servers and all staff members who, through their generous involvement, ensured the events were memorable faith events.

As we conclude the First Eucharist celebrations for 2016, we look ahead with great anticipation to Term Three, during which, our Year Six students will be preparing to receive the sacrament of Confirmation in August. This significant sacramental milestone in the lives of our students completes their initiation into the Catholic Church and signals the beginning of their lives as Spirit-filled disciples of Christ.

As Confirmation will be celebrated at the end of Week Six next term, our preparations will commence immediately upon the students returning after the holidays. This week the students will receive a ‘Confirmation Information Pack’ containing their lanyard, photo envelope, Retreat Day permission form, Confirmation details form, stole embroidery order form and a covering letter outlining important dates and information related to Confirmation. Please read all information carefully and complete and return the enclosed Confirmation Detail Form and Retreat Day permission form no later than Friday 15th July.

During our first week of next term, on Thursday 14th of July, the Year Six students and their families will gather to commence formal preparations for the reception of the sacrament of Confirmation. The evening will begin at 7 pm and during the presentation, parents will learn more about the significance and rituals associated with Confirmation and reflect upon the gifts they have been given through the Holy Spirit and how those gifts are being used.

Families are reminded that our Confirmation Access Lanyard Program (previously known as Passport Program) will commence on the weekend of 16th/17th July. This is a five week commitment to attending mass made by our candidates and their families in preparation for the sacrament of Confirmation. When attending any of the weekend masses at St Francis of Assisi Parish, candidates will receive a sticker from Father Anthony which they will take home and place on their Confirmation Access Lanyard. If families attend mass at another Parish, candidates are asked to have their lanyards signed by the presiding priest in the space provided for the sticker.

Our Confirmation Retreat Day is also scheduled for early Term Three. On Thursday 21st July, students and their teachers will travel to the Holy Cross Centre in Templestowe for a day of reflection and activity associated with Confirmation. A letter outlining the excursion and a permission slip will be sent out this week in the Confirmation Information Pack. Parents are asked to complete the Retreat Day permission form and return it to school by Friday 15th July.

Within our Confirmation Information Pack, parents will also find an order form to have their child’s stole embroidered with a Confirmation symbol. The order form needs to be returned to the school office with correct payment by Wednesday 13th July and stoles will be returned by Friday 29th July. Embroidery costs and design options are all outlined on the order form.

Parents are also asked to complete and return the Confirmation Details Form contained within the Confirmation Information Pack by Friday 15th July. This form requires each student to record details of their chosen name in Confirmation (Saint’s name) and the name of their sponsor. This information is required prior to the end of the first week in Term Three so certificates and booklets can be printed.

Due to the large number of Confirmation candidates at each of our ceremonies in August, there will be limited seating available for family members. Each family will be allocated reserved seating for approximately 8 adults. There will only be very limited additional seating available and we ask all families to be mindful of this constraint when inviting guests to celebrate this special event.

...../cont’d
As mentioned in our last newsletter, it is during the Winter months that we respond to our Christian mission by turning our minds to those less fortunate than ourselves. This year, we again came together as a socially just faith community to support the wonderful work of the St Vincent de Paul Society. Thanks to the generosity of school families, we managed to collect close to $1000 dollars that will be used to support those in need. I thank you all for your generosity and support in this important social justice initiative.

At this time of great financial, political and social instability, we ask for your prayers for all those affected by the unjust or violent actions of others. We especially ask that all families pray for those who are suffering as a consequence of recent terrorist-related attacks and ask for God’s healing presence to restore harmony and peace in our world.

God Bless,

John Dwyer,
Religious Education Leader
