**Dear Parents,**

**FIRST EUCHARIST**

The celebration of the Sacraments, Reconciliation, Eucharist and Confirmation have always been a major highlight in each families’ path of nurturing their child’s faith and participation in the Catholic Church. Yet what must not be forgotten is the core component, the Mass, as it is within this celebration that our Sacraments are generally received and acknowledged by the wider parish community. It generates for many parents and older siblings, happy memories of the major steps they took in their faith formation.

Hopefully the sacramental celebrations we share this term will bring back many happy memories of special celebrations of the Mass, which you can share with your child. May it also bring about a time of reflection and renewed commitment to continue to lead by example of what it means to celebrate being a Catholic.

I pray that all our Year 3 students have a very memorable experience celebrating their First Eucharist over the coming weeks. Through the joint efforts of both parents and teachers the children continue to prepare for the Sacrament. Please pray for our children in Year 3 as they make their First Holy Communion.

**PREP 2017 ENROLMENTS CLOSE**

Applications for Prep 2017 close on May 31. We anticipate forwarding our offer of places in the second week of June. Demand for places has been strong again and as such we will be offering 6 Prep classes in 2017.
2017 PREP ENROLMENTS/INTERVIEWS
Father Anthony and I continue to meet with new families for Prep 2017. I ask that any existing families who have not yet submitted an application form for Prep next year please do so immediately.

FOOTBALL CARDS
It has been enjoyable to watch the students negotiate and trade football cards, however, for the sanity of the staff and parents we ask that all Football cards remain at home. We have had many distressed students (and parents!) expressing their concern over loss of cards. Please support us in this decision.

INSTRUMENTAL MUSIC PROGRAM
Instrumental Music enrolments are now open for Semester 2 (Term 3 & 4) and will close at the end of this term. Only new students need apply as existing students already enrolled in Semester 1 will automatically be re-enrolled for Semester 2.
Enrolment forms can be collected from the School Office or you can download the Instrumental Music enrolment form from our website.
Prep enrolments for the Instrumental Music Program are now being accepted.

Those already on a Waiting List will be processed and placed in the program.
Please inform the office if you wish to cancel your existing child’s Instrumental Music lessons for Semester 2.

CHILDREN, DIGITAL DEVICES IN THE BEDROOM, AND SLEEPING HABITS...

This is something we adults never had to deal with ‘back in the day’, but it is important that we get involved, learn about it, and provide the best advice and support we can for our children. Kids these days are connected to the world around them via a myriad of digital devices like mobile phones, iPads, laptops, gaming consoles (PSP, xBox, etc) and even televisions. They can chat to their friends, access entertainment, and even assist them with their education. Digital devices can be fantastic for these reasons, but they can also pose several significant problems if they are used without restrictions. We teachers regularly see the negative outcomes of these problems at school.

When children use these devices in the evening (especially if they are in their bedrooms), they can struggle to sleep. Screen brightness, electromagnetic radiation and exciting content are all common, proven causes of this. If the devices remain in their bedrooms, they are likely to also experience interrupted sleep as a result of messages and notifications throughout the night. When they come to school the next day, they are left ‘wired and tired’, finding it difficult to concentrate on their learning and failing to get the most out of the day. Over time, it can start to negatively impact their health, well being, mood and behaviour.

Primary school aged children should get between 10-12 hours of sleep a night (which would require an 8 pm bedtime, approx.). By limiting evening use of technology, establishing healthy bedtime routines and removing technology from the bedroom, we are giving them a good chance of getting a good night’s sleep. Balancing use of technology with physical, outdoor activities will also benefit them greatly.

It can help to have a public ‘charging pod’ area in the house where devices can all go on charge at a specific time each night. Getting your children to help you develop the rules for the use of their devices can help avoid conflict, especially if the emphasis is placed on BALANCE rather than PROHIBITION.

TIME TO CELEBRATE!

Last week, Mrs Shelly Michalke (5S) and myself completed our training and passed our exams to become Certified Google Educators (Level 1). As a result of our training, we are now equipped with a better understanding of (and greater confidence with) using Google Apps for Education. These are brilliant online learning tools which are currently implemented in all year 4-6 classrooms. We look forward to sharing our new skills with the staff and students at St Francis of Assisi to engage and challenge the learning of all.

Recently as a faith community we celebrated Pentecost Sunday. The Pentecost event signalled the birth of the Church and reminds us of our collective calling as Christians to be agents of faith, love and forgiveness in our troubled world. As we journey forward throughout the 2016 calendar year, let us recognise the wonderful gift of grace that the Holy Spirit brings into our lives.

Last term our Year Three students celebrated their first individual Reconciliation. Next week, as a nation, we turn our thoughts to the reconciliation journey as we celebrate Reconciliation Sunday on May 29th. Each year we acknowledge the mistakes and injustices of the past and make a commitment to restoring damaged relationships and moving forward as a nation. National Reconciliation Week will be celebrated around the nation from 27th May to 3rd June and is a rich opportunity for everyone to acknowledge and promote the healing power of reconciliation-both in our families and in the wider community.

With our 2016 First Eucharist celebrations rapidly approaching, the Year Three team are working hard preparing the students for this special milestone in their faith journey. We encourage all families to continue supporting the children by attending weekly mass and completing the Eucharist Smartphone Program. Over the coming weeks, students will be learning the specifics related to receiving Eucharist within mass and will be tasting the unconsecrated host as a part of their sacramental program.

Last week all Year Three classes participated in a school-based Eucharist workshop day. During the day, students were involved in scripture response activities, they discussed the symbols and rituals associated with Eucharist and even baked their own Eucharist symbol using bread dough. Students reflected upon the significance of Eucharist and identified messages within the story of the ‘Last Supper’. Student insights included comments such as:

“This story teaches me that God always sits next to us.” (Sienna 3R)
“This story teaches me to love one another.” (Aaron 3R)
“This story teaches me that Jesus is with us, no matter what.”
“This story teaches me to avoid temptation.”
“This story teaches me about the love of God and how we should love others.”
“The Last Supper teaches me to love one another and that God is always with us through the Eucharist.” (Theresa 3P)
“This story teaches us about the love of the Holy Spirit.” (Christine 3T)
Children also had the opportunity to gather in the church to revise protocols associated with receiving Eucharist within a liturgical context. Several students from each class will be chosen to present prayers and bring forward the offertory gifts during the mass. Throughout the weeks ahead, those students chosen to fulfil these roles will have the opportunity to further practise their particular ministry.

SFOA Social Justice - Faith in Action: Feast of Sacred Heart
On Friday the 3rd of June we will gather as a faith community to celebrate the Feast of the Sacred Heart of Jesus. Year 3 students will gather with our Parish community and students from St Monica's at 9.15 am and students in Years 4-6 will gather at 12 noon. Prep and Year 1 will attend mass on Thursday 2nd June at 9.15 am. The children in Year 2 will attend mass on Wednesday, 1st June at 9.15 am. On this feast day, we offer our prayers for those in need within our local and wider community. In past years we have invited families to donate non-perishable food items or blankets that were collected and distributed to those in need by members of the local St Vincent de Paul conference. This year representatives from St Vincent de Paul have asked for families to make a financial donation to their organisation instead of goods as the collection, sorting and distribution of goods has become too labour intensive and time consuming for the dwindling number of volunteers.

To support the wonderful work of the St Vincent de Paul Society, we will be having a ‘Plain Clothes Day’ on Friday the 3rd June and ask that all families make a donation of a gold coin as a way of showing their collective solidarity with those in need.

In keeping with the theme of Reconciliation Week, try to make time this week to make a commitment to strengthen and/or repair the relationships that unite us as members of God's family.

Time To Pray
Reconciliation in the nation begins with a culture of forgiveness in each home. With a forgiving heart, reconciliation becomes a daily and natural part of our world.

I invite parents to share this reconciliation prayer with their children each night for a fortnight to value and promote authentic reconciliation within your family. Parents may even wish to make this prayer an ongoing practice and a permanent family ritual.

Before sending your child to bed, bless their forehead saying
“God Bless You…. I Love You”.

Invite your child to bless you with the same blessing.

God Bless,

John Dwyer
Religious Education Leader

Children’s Liturgy News
This week’s story is about a little boy called Bartimaus who was born blind but one day he received a miracle. At Children's Liturgy, children will hear a bible verse or parable story, which will then be discussed, followed by songs of praise and prayers. We welcome all children to join us each week during the Sunday 10.30 am Mass. Lessons run for around 20 minutes, (all children under 4 must be accompanied by an adult). For further information about children's liturgy at St Francis of Assisi, or to offer assistance in helping run our sessions, please contact the parish office. We hope to see you there!

Sunday 29th May
Hi! We are the FIRE Carriers for St Francis of Assisi Primary School - 2016. Our names are Jason, Taylar, Ajay, Lyma, Olivia and Abigael.

This is our first project and we are very proud to present it to you! We have created a canvas of some native Indigenous animals that live with us on Wurundjeri Land. Our canvas has acknowledged these animals: Powerful Owl, Legless Lizard, Dingo, Baw Baw Frog, Mountain Pygmy Possum and the Alpine She-Oak Skink.

This art piece will be exhibited along with twenty one other pieces from twenty-one other schools in the North Eastern Region. Each canvas will represent one part of the Songlines – The Living narrative of our nation exhibition, which will be part of the NAIDOC Week celebrations 3 – 10 July. Later this year, the complete exhibition will come to St Francis, so keep your eye out. It'll be a fantastic exhibition!
