Dear Parents,

I hope that all of our mothers were spoilt on Sunday. Thank you for all that you do.

Below is a prayer that captures the essence of being a mum.

**A Prayer for all Mothers**

Thank you, Lord, that you fill a mother’s heart with love,
That you have instilled in her very being the need to protect her children if at all possible,
Thank you for giving her the gift of nurturing her children, of teaching them, of comforting them,
for feeding them and making a safe place for them.
For guiding them to be all that God has created them to be.
Fill every mother with love, wisdom and endurance,
with strength and patience and joy.
Give them ability to forgive again and again.
Enable her to rely on You and call upon You, because You will give her all she needs.
In Your precious and all powerful name,
Amen

**MOTHER’S DAY BREAKFAST**

The Mother’s Day breakfast was unbelievable. This was the fifth year that we have held the Mother’s Day breakfast and we were absolutely delighted with the amount of mothers that were able to join us on these mornings. A huge thank you must go to the staff who assisted on these mornings. Many of our staff were at school as early as 5 am to begin cooking. I would like to thank our staff for their exceptional preparation. On Wednesday and Thursday our fantastic Learning Support Officers cooked up 2,000 pancakes in readiness for the breakfast. Our staff from 5:30 am each morning were there again setting up and cooking some 170 dozen eggs and 110 kg of Bacon. We consumed over 1,200 rolls, 1,200 croissants, 80 punnets of strawberries and over 120 litres of juice and so much more.

Last of all I commend all the children for their excellent behaviour and enthusiasm on these days.

WINTER UNIFORM TIMELINE
Children were expected to change into their winter uniform at the commencement of last week (Monday 2nd May). Parents however are invited to use their discretion as weather dictates over the next month. All children are expected to be wearing their winter uniform by the end of May. This means that no children are to be wearing shorts at the end of May.

2017 PREP ENROLMENTS/INTERVIEWS
This week Father Anthony and I will begin meeting with new families for Prep 2017. I ask that any existing families who have not yet submitted an application form for Prep next year please do so immediately.

NAPLAN — YEARS 3 & 5
Please note that the NAPLAN nationwide testing in Literacy and Numeracy for Year 3 & 5 students will take place this week from the 10th—12th May. Please advise your child’s teacher if your child/ren will not be available for the testing on these days.

SICK CHILDREN COMING TO SCHOOL
I have noticed some students attending school who are ill. Could I please ask that if your child is not well to keep them at home. It is not fair to expect a child who is unwell to participate in learning activities and also I am conscious of them spreading their illness throughout the class.
**MORNING ARRIVAL TIME**

While we are quite aware that mornings can be busy times in most households, we are concerned that a number of children are consistently arriving right on or soon after 9 am. Parents are requested to encourage their children to be at school as close as possible to 8.45 am. This allows children to greet each other, organise their possessions and settle, ready for the start of the day by 8:50 am. Parents are requested to walk their children to the office and sign them in if they are arriving after 9:10 am.

*P.S. We do not open the school gates until 8:30 am – if children are dropped off prior to this time they will be directed to Before School Care.*

**YEAR 6 CAMP**

This week our Year 6’s head to Camp Manyung at Mt. Eliza.

- Years 6B, 6H & 6S leave on Monday, 9th May and return on Wednesday 11th May.
- Years 6D, 6M & 6W leave on Wednesday, 11th May and return on Friday 13th May.

Any students who require medication while away on camp are to see the following teachers:

- Camp 2 6D, 6M & 6W: Need to see Mrs Teresa De Bono (Stratton) at 8.15 am on Wednesday, 11th May outside the school office.

As the children may be tired from Camp 1, they may start school at 11.30 am on Thursday, 12th May. If your Year 6 child needs to come to school at 9 am, they are to go to the Year 6 building where they will be supervised by a teacher. If they arrive after 11.10 am they may go directly to their classroom.

**MESSAGES TO THE CLASSROOMS**

Parents are reminded that the office staff are unable to pass messages on to children during the day (unless it is an urgent message). Please ensure that your children are clear regarding pick-ups at the end of the day. Interruptions to the classrooms need to be kept to a minimum so I ask for your cooperation in this matter.

**SEASONS**

This week Seasons will begin. Seasons is a peer support program for children and young people who are experiencing grief and loss in their lives. The loss may be the result of a death, separation or divorce. Seasons is a 9 week program which will be run by Mr. John Dwyer and Mrs. May Park. The program will take place during school time where the children will be withdrawn from their classroom to work in a small peer group with children of similar age for approximately 45 minutes. If there are any families wishing to take up this opportunity, please pick up a permission form from the office and return as soon as possible. Any queries please do not hesitate to contact John Dwyer or May Park.

**SCHOOL FEES**

Term 1 fees were due for payment by the 26th February 2016 and are now overdue. If you have not yet paid, please do so this week. If you have any enquiries or are unable to pay in full, please contact Anne Coleiro or Leanne Henwood.

Term 2 fee accounts have been sent home to all families who have not set up a payment plan.

**CAMPS, SPORTS & EXCURSION FUND (CSEF)**

If you hold a valid Health Care Card you may be eligible to claim CSEF. This allowance will be paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child. Your Health Care Card must be valid as at 13th April 2016. The annual CSEF amount per primary school student is $125. Application forms are available from the School Office. This form along with a copy of your Health Care Card needs to be lodged at the school by 24th June 2016.

God bless,

ASSEMBLY TIMETABLE

Parents all know the value of bedtime reading extends far beyond an enjoyable pastime, so what can be done at home to increase children’s mathematical understanding and reasoning? The answer – a great deal!

Research shows that the more parents and children talk to each other the better students achieve. Apart from talking, parents can be instrumental in their child’s learning by being a good role model. There are three demonstrated behaviours that are particularly useful for successful learning:

- Resilience
- Empathy – being able to imagine things from your child’s perspective
- Persistence

Whilst some parents say that maths is ‘simply not for them’ or ‘I could never do maths at school’, it is important to remain positive, talk about maths and demonstrate a genuine interest in mathematical learning at home and school. Children’s participation in the everyday Maths of the family is an important source of mathematics learning and should be valued and celebrated.

Playing games is one of the easiest ways to assist your child’s development of mathematical skills and reasoning because they are fun, engaging and provide opportunities to talk about maths. Try playing the old favourite “Greedy Pig” where children can practise their addition skills. It also introduces concepts of probability.

**GREEDY PIGS**

**You Need:** 2 or more players, 6-sided dice, paper and pencil.

**To Play:** Each turn of the game consists of one or more rolls of the die. Keep rolling until you decide to stop, or until you roll a 1—The ‘greedy number’. You may choose to stop at any time.

- If you roll a 1, your score for that turn is 0.
- If you choose to stop rolling before you roll a 1, your score is the sum of all the numbers you rolled on that turn.
- The winner is the first player to reach 100.

**Questions to ask while playing:**
- How did you add your numbers?
- Is there another way to add the numbers?
- What is the chance of rolling a 1?
- What is the chance of not rolling a 1?

**VARIATIONS:** Reduce the total to 50 or start with 100 points and subtract the number rolled.

/Math Leader P-4_
The word ‘Eucharist’ is derived from a term meaning ‘thanksgiving’ and the Sunday mass is a way for us to publicly express our thanks to God for the many blessings we have received. Throughout this term, the Year Three students are preparing to receive Eucharist for the first time. As we journey with them toward their first Eucharist in June, we have a rich opportunity to reflect upon the significance Eucharist plays in our daily lives.

In the last week of April the students preparing for their first Eucharist received their Sacramental Smartphone on a lanyard. This smartphone will be used to collect stickers from mass over the coming weeks and aims to assist the students to come to a greater understanding and appreciation of the Mass. By attending mass regularly, we are all called into communion with Christ and nourished with the grace of God.

At each of the parish masses over the coming weeks, Father Anthony and Father George will present various perspectives on the Mass and the Eucharist during their homilies. During the mass, students will be invited to come forward and collect a sticker which they will place on their Sacramental Smartphone. If families are unable to attend any of the Mill Park masses, but attend mass at another parish, we ask that the respective Parish Priest signs the Smartphone so a sticker can be forwarded to the student by Mr Dwyer.

The Year Three families also received a photo envelope for First Eucharist celebrations in June. Families wishing to purchase photographs need to hand the envelope with payment to the photographers on the day of their child’s first Eucharist. We ask that parents do not hand photo envelopes into the school office as has been the case in previous years. This revised system has been specifically requested by the photographer and aims to streamline the production and payment process.

As outlined in the last newsletter, we have been in discussions with various videographers trying to negotiate a company to film our First Eucharist ceremonies. Unfortunately we have not been able to secure a company that could provide a DVD recording for under $40 per family and so we have arranged a staff member to film the ceremonies so we can still provide families with a digital memento of this special event.

In the coming weeks I encourage all families to acknowledge the importance of gathering to share a meal around the church altar as well as the family dining table. Before we partake in the meal, take time to offer a brief prayer of thanksgiving.

Recently, the Year Five students as well as staff and parents had the opportunity of listening to a very inspirational and Spirit-filled person — Ms Moira Kelly. Moira has devoted her life to supporting children from around the world both financially and with her love. She has improved the life of dozens of young children by providing medical assistance for those in need and moral support for their families. Moira’s stories of love and compassion enthralled the audience and her ability to say “yes” to the Holy Spirit reminded us all of our calling to be the hands and hearts of Christ in our world. Moira was very impressed with the respectful nature with which the students welcomed her and her children and has indicated the possibility of visiting again in the future to share her story with more members of the St Francis of Assisi school family. We eagerly await her return and we are currently in discussions with her to see how our school can support her in her mission and vision for a better world. As Moira herself said, “Miracles can happen when people believe things can change”.

We also remind parents that in June we will again be inviting teachers, students and their families to respond to social justice issues and work in partnership with our local St Vincent de Paul conference to support those in need. We will be gathering to celebrate the Feast of the Sacred Heart on Friday 3rd June at 9.15 am for Prep-Year 2 classes and again at 12 noon for Year 3-6 classes. Instead of holding a winter appeal for St Vincent de Paul in which families donate foods and goods, we have been asked instead to make a monetary donation to assist St Vincent de Paul meet the range of needs in the community. At present we are exploring the possibility of holding a fundraiser to support Moira Kelly’s wonderful work supporting children and families in need around the globe.
Time to Pray: 
A Prayer of Thanks
God of Love,
I thank You for the people in my life
who are easy to love.
I thank You for my family and friends
who understand my actions,
who support me in my decisions,
and whose presence can lift the burden of
a difficult day.

Help me with those who are difficult to love.
When they come at me with criticism
and wild expectations,
when they ignore me
or try to bend me to their will,
let me recognize your face in their face and your heart
in their heart.

God Bless.
John Dwyer

Children’s Liturgy News
This week’s story looks at how Jesus loves all the children of the world. At Children’s Liturgy, children will hear a bible verse or parable story, which will then be discussed, followed by songs of praise and prayers. We welcome all children to join us each week during the Sunday 10.30 am Mass. Lessons run for around 20 minutes (all children under 4 must be accompanied by an adult). For further information about children’s liturgy at St Francis of Assisi, or to offer assistance in helping run our sessions, please contact the Parish Office.
We hope to see you there!
Sunday 15th May
Well done to the students who attended band practice on Thursday and Friday this week and performed for the Mother’s Day Breakfast. This was a fantastic opportunity for our school bands to perform for the school community. The students were so pleased with the opportunity and are excited to perform again for the Father’s Day Breakfast in Term 3. Well Done!

**Boroondara Eisteddfod 2016**

Another fantastic experience our band students had this year by attending the 2016 Boroondara Eisteddfod. This year the level of competition was outstanding. The Adjudicator’s Reports were very positive and our students should be very proud of their efforts this year. Though we did not receive a place our students have begun a SFOA Tradition with a little rivalry amongst ourselves between our Year 3-4 Band and Senior Band. This year our Senior Band succeeded the Year 3-4 Band by 2 points.

**The Adjudicator’s Report 2016**

**Year 3-4 Band**

*Clumsy Sailor – Traditional* Good work here and lovely to see four hands on the piano. Percussion very enthusiastic and you kept the spirit of the piece and the feeling of the ‘Sailor’ on the sea.

*Ode To Joy – L. Beethoven* Ensemble very nicely together as you capture the hymn like quality of this piece very well. You are all doing very well, making music together. Keep it up everyone.

**Year 2-6 String Orchestra – Senior Band**

*We Have A New Squire ‘German Song’ – J.S Bach* A beautiful beginning with the cymbal roll and side drums keeping the motion flowing along. Some very well maintained contrasts and good sense of musical style.

*Patrick’s Reel – K. & D. Blackwell* You capture the feeling of the Irish Jig very well and a nice feeling of the dance. Very secure percussion work and a good ensemble throughout. There is a lot of good work and talent here. Well done and keep it up.

Overall some very nice and positive comments written by the adjudicator. Well done on all the students who attended the Eisteddfod and on all the hard work you have put in at band practice. Well Done!
INSTRUMENTAL MUSIC PROGRAM – NEWS

STUDENT LESSONS
Well done to the students who have remembered to attend their music lessons on time and without their instrumental teachers having to call through to the classroom. Instrumental Music Teachers will no longer call classrooms for students to attend their music lessons. Students have been aware of this since last term and many of our students are remembering to attend on their own, well done. If students in year 3-6 are at school and forget to attend their lessons, their lesson will not be made up. We have put this in place to assist classroom teachers with minimising calls to the classroom for instrumental lessons.

Students in years Prep – 2 will still be called to their lessons each week.

Mother’s Day Breakfast:
On behalf of the Parents Association and all the mothers, we would like to thank all the teachers and staff at the school who provided a wonderful Mother’s Day Breakfast. Both days were a great success and enjoyed by all.

Mothers Day Stall Success!!!
We would like to take this opportunity to say a very special thank you to Corry Barbaro and Angela Koutsiaras for all their help and support with the transition of the Mother’s Day stall. Thank you to Sandra Katsaros and Pauline Vidos who coordinated the day and to all the wonderful mums who volunteered their time to help. It was wonderful to see so many new faces helping out. The day was a great success due to the hard work and dedication of all involved.

Congratulations to:
Zac B (Prep J), Rita M (4J) & Layla C (2W) on winning the Mother’s Day Hampers.
