Dear Parents,

WELCOME!

I would like to welcome all our students and families as we embark upon another academic year at St Francis. We especially welcome our new students in Prep and indeed those that have joined us in other year levels. It is an exciting time for everyone at the beginning of a school year and it was pleasing to see the students bounce in on the first day of school.

Over the school holidays numerous works have again taken place throughout the school. One standout feature is that we have removed the mounds of dirt from the back oval in preparation for the drop off pick up road to be built. We also created more play area for the students along the brick wall (near the Year One gate) that we share with the Stables Shopping Centre. It was great to see the children sitting in the area, doing cart wheels and hand stands which was previously full of dirt and dust. The fence at the front of the school is taking shape and we should have the automated gates installed by the end of the month. The play area at the front of the school should be opened by the end of the month.

There has been a team of painters going through our school refreshing internal and external surfaces. I would like to thank our maintenance men, Ivo and Ron for coordinating these tasks and for ensuring that our school is clean, safe and well prepared for the beginning of the school year.

Our staff are looking forward to working with you and your child during the coming year and you can be assured they will give their very best to make this a fulfilling year for every child at our school.

I encourage all our community to be active participants in the education of our students. Education is very much a partnership between students, parents and teachers. The most important ingredient in any community is open, honest and regular communication.

I extend a special welcome to the following staff who begin their association with our school:
Classroom teachers—Will Kent, Chris Borg, Ashleigh Doyle, Helen Dean, Natalie Ferron and Tayla De Sensi and Christine Grey (Music teacher).
HERE ARE SOME OF OUR PREPS ON THEIR FIRST DAY OF SCHOOL.

ASSESSMENTS
The school wide assessments last week proceeded very smoothly. The teachers appreciated meeting parents and students in a relaxed manner before having the whole class together. Teachers were also very excited to be able to complete the bulk of their testing so early in the term. This format means that the teachers now have the data they need to focus on individual needs from the beginning of this week.

OPENING SCHOOL MASS
This will take place on Thursday 9th February at 10.15 am in the courtyard. Parents are most welcome to join us.

NEWSLETTERS
We will again be sending our newsletter via email and the School App this year.

INSTRUMENTAL MUSIC PROGRAM
In 2017 we will again be facilitating instrumental music lessons. We have a team of 10 instrumental music teachers who are on staff here at St. Francis. We are offering piano, guitar, keyboard, drums, violin and singing. Lessons will begin during the week beginning 13th February. Enrolment forms are available from the school office. Please Note: The Instrumental Music Program is offered to students from Year 1 – 6.
If you have any questions regarding the program please speak to either Pina Fusillo or myself.

PARENT / TEACHER GOAL SETTING MEETINGS
Will take place on Thursday, 23rd February (2 pm – 9 pm). Further information will follow in coming weeks regarding preparation and bookings. Please note: We have organised a school closure on this day.

EARLY NOTICE—SCHOOL CLOSURE DAY
Please note that there will be a Pupil Free day on Thursday 23rd February.

SCHOOL UNIFORM
We would like to encourage all students to wear the correct school uniform. This means some accessories such as wrist bands, multi-coloured hair bands etc should not be worn. I ask parents to check labels are on all items of clothing. School shoes must be worn every school day except on their PE day. It is expected that all children will have the new St Francis’ school bag within the first few weeks of school (Please Note: Our Prep students need to wear their Sports Uniform on Monday for PMP and Friday for PE.)

PARENT HELPERS / WORKING WITH CHILDREN CHECKS
All parents assisting in the school are required to complete a working with children check. Those who have already placed an application will have received a receipt or a WWC Card. If you have either of these you are eligible to assist in classes. We do want our parents to be involved in the classes so please complete the necessary application online or at the post office as soon as possible. If you have any queries please contact the school office.

SIGNING IN AND OUT
Parents who take a child out of school during school hours must sign the child out and sign the child back in when the child returns. Parents are asked to try to avoid collecting students during the lunch and recess breaks as it is often difficult locating the children on the yard. All parents are expected to sign in at the office when visiting. No adult should be in the school grounds without wearing a visitor’s badge.
PARKING
As in all schools pick up and drop off times can be extremely hectic. We do have a number of options for parents which include the staff car park, the drive through area in front of the church as well as the shopping centre next door. If parents wish to park they will need to use the shopping centre carpark. The other access points are only for drive through drop off and pickup. I ask that all parents be extremely mindful of the safety of the students. Please take your time and observe all regulations as haste may cause an accident.

STAFF CARPARK
This is a drive through area for drop off and pick up. ONLY STAFF ARE PERMITTED TO PARK IN THIS CARPARK. PARENTS ARE ASKED NOT TO PARK IN THIS AREA EVEN IF FOR A BRIEF MOMENT! TRAFFIC IS ONE WAY ONLY—DO NOT DRIVE AGAINST THE FLOW OF TRAFFIC. To allow parents easy access to Before School Care I am asking that parents who are using the staff car park to drop off children do not queue up before 8.20 am. If you do, you will be asked to move on by school staff.

PS: The gates are locked at 9.05 am and re-opened at 3 pm each day to ensure the safety of our children.

CHURCH DRIVE THROUGH
This drive through area is one of our main points for drop off and pick up. PLEASE NOTE: This area is single lane entry even though it is 2 lanes wide. If you are waiting at pick up time at the front of the queue for too long you may be asked to move to one of the parking bays, so please ask your children to move quickly to pick up areas after school so that the traffic flows.

PREP & YEAR 1 GATE AREA
This gate will be open after school for ONLY Prep and Year 1 families.
Please ensure that the following steps are taken to ensure safety for all:
• Hold children’s hands at all times.
• Reverse park into parking spaces.
• Walk along the very side of the road no more than 2 abreast.
• Do not cross from or to the corner of the Savers building. Visibility on this corner is limited.
• No student is to or exit without the presence of an adult.

RETURN OF FORMS
The beginning of any new school year requires us to seek information from parents in many areas. Over the next few days numerous notes will be sent home to parents. I realise it can be very difficult to keep up with them all. It would be appreciated if all forms be returned ASAP.

IN THE NEXT FEW DAYS YOU WILL BE RECEIVING THE FOLLOWING NOTES THAT NEED TO BE RETURNED:
Medical/Personal Information Card - Please complete both sides of the Information Card and return to your classroom teacher as soon as possible.
Asthma Note - Please complete and return to your classroom teacher even if your child does not suffer from asthma.
Family Verification Report – Please check and update all the details and return to the classroom teacher as soon as possible.

SUNSMART:
We are a Sunsmart school which means that we have a “NO HAT NO PLAY” policy. School hats are to be worn outside at all times during Terms 1 and 4.
START OF SCHOOL EACH DAY
Children are expected to be at school no later than 8.45 am so that bags can be unpacked and belongings put away. In an effort to have the children settled and ready for their literacy block at 9 am each day the first bell will ring at 8.45 am. Upon this bell sounding all students will move into classes. PLEASE NOTE: NO CHILD SHOULD BE ON THE SCHOOL PREMISES PRIOR TO 8:30 AM. STUDENTS ARE TO BE COLLECTED NO LATER THAN 3:45 PM (Students present at the school outside these times will be taken to Before / After School Care and a fee will apply.)

NUT ALLERGIES!!!!!!!!!
We have many children that suffer severe reactions to nut based products. The consequences of these allergies are life threatening. Consequently, we ask that no nut based products (especially Peanut Butter and Nutella sandwiches) are brought to school. Due to these allergies and the health of our children we have made the decision that children are not to share food at the school. This means that families are not to send along birthday cakes, lolly bags or treats for children’s birthdays. Alternately parents may send stickers, pencils, erasers etc., to celebrate their child’s birthday. I realise this can be inconvenient for parents and children but I am pleading to all parents to support us in ensuring the safety of our students.

SCHOOL FEES & PAYMENT PLANS
Thank you to all families who have already made arrangements to pay via direct debit or automatic credit card payments. Parents wishing to complete a payment plan are asked to send the completed paperwork to the school office as soon as possible. It is preferred that payments commence before the end of February and are finalised by November. Payments may be made by cash, cheque or EFT at the school office from 8am to 4pm. If you are unable to come to the school, credit card payments may be made by phoning the school office on 9407 3100 or direct transfer payments may be made to our school fee account (BSB 083 347  A/C 528755292). Please include your child’s surname in the reference. If you have any queries, please contact Anne Coleiro or Leanne Henwood at the school office or email accounts@sfmillpark.catholic.edu.au

PETS AT SCHOOL
It has come to my attention that some parents are bringing their dogs onto the school grounds when dropping off and collecting children before or after school. Unfortunately for the safety of the children I cannot allow dogs onto the school property. It would be appreciated if parents could adhere to this request.

SCHOOL PHOTO DAYS
The dates are scheduled for 20th & 21st February. The children will need to wear full Summer school uniform on these days even if they have sport or PMP on one of the days.

DOES YOUR CHILD HAVE ASTHMA?

Asthma is a condition of the airways. People with asthma have sensitive airways in their lungs which react to triggers that set off their asthma. This makes it harder for them to breathe.

Three main factors cause the airways to narrow:
- The inside lining of the airways becomes red and swollen (inflammation)
- Extra mucus (sticky fluid) may be produced, which can block up airways
- Muscles around the airways squeeze tight. This is called bronchoconstriction.

Asthma can be serious and as a school we must be prepared for children who require emergency treatment at school.

Today you will receive a letter home in regard to asthma management of children at St Francis of Assisi. If your child has asthma please return your form with all asthma requirements by Tuesday 14th February. Should you require any assistance with this, or any other health matter, do not hesitate to call me at the school between the hours of 10 am and 3 pm Monday to Friday.

SPORT NEWS

Welcome back for another exciting year in the Phys Ed Dept.

2017 will be a great year for PE/Sport at St Francis and we have an action packed first term ahead. I would like to welcome Mr Talarico and Mrs Scott to Phys Ed in 2017! Mr T will be involved in PE on Tuesday, Wednesday and Thursday with Year 1-6 and Mrs Scott on Fridays with the Preps. We also welcome back Mrs Dato on Wednesday’s with the Year 5’s & 6’s. Looking forward to a fantastic year!

Swimming

Last Year we had our Swim Squad Trials and I was impressed with the number of students coming to the early morning sessions, from these trials we picked the Squad and those students will be racing off for their spot on the team.

Final Trials will be held this Thursday 9th February and Tuesday 14th February commencing 7.15 am at Aquastyle Swim School, 5 Development Boulevard, Mill Park. Students that make the team will have a final training session on Thursday 16th February before they represent our school at the BDSSA Swimming Carnival at WaterMarc on Tuesday the 21st February.

Good Luck to all our swimmers!

Interschool Sport

We had our first selection session for our Year 6 Interschool Sport Teams last Friday morning and will be having our final team trials this week on Friday. Students are trialing for a spot in either our Falcons or Wolves teams in Volleyball, Cricket, Tennis & T-Ball. As we are a large school unfortunately we have more students than spots in the teams so those who miss out will be participate in a school based sport program and will be involved in some exciting activities both on and off campus.

I wish everyone the best for the year ahead and remember,

"Always try your best and you will have Success!"

Mr Brett McCarthy
It is with great excitement and positivity that I welcome back all parents, students and teachers. I would like to introduce you to a new editorial that will be part of every full edition of the school newsletter. The editorial is called “Captured”. In my role as Deputy Principal — Learning and Teaching, I am incredibly privileged to witness our professional learning community at work. The editorial will endeavour to provide you with a window into our school community and some information about current trends and research in Education.

My first captured moment is:

TEACHERS AT WORK.

Professional learning is an important part of our community. Teachers engage in learning after hours and during school holidays to provide our students with the most contemporary and evidence based practices that enhance both student engagement and learning. At the end of the 2016 school year, teachers returned for two full days of professional learning using new planning documentation that has been provided to us by the Catholic Education – Melbourne. We welcomed with great enthusiasm “Horizons of Hope — Teachers as Designers — Unpacking the Design Space” document.

This document places the student at the centre of all professional dialogue and conversations. Firstly, teachers consider the prior knowledge and experience of students before planning. We then, plan experiences that are relevant and honour new Victorian Curriculum and RE curriculum guidelines. We consider how we will deliver the content and best practices to engage our students such as collaboration, increased student voice, use of digital technologies and goal setting. Our teachers consider what evidence they will collect to assess the effectiveness of the learning.

If you have any queries or questions about the learning and teaching practices at St Francis of Assisi, please feel free to contact me – dpieri@sfmillpark.catholic.edu.au

I wonder who will be captured NEXT?

Delfina Pieri
Deputy Principal — Learning and Teaching
Welcome back everyone!

As library lessons start this week, students will be revisiting the routines. Students will have a lesson one week with the library teacher and come to the library with the class teacher the next week. To have students ready to borrow in Week 4 it would be appreciated if your student’s library bags are clean and have an easy to read label with the name and grade. Also, the library is open from 8-30 am and until 4 pm before and after school for parents and students to browse and borrow. We are blessed with the most up to date resources and encourage you to make the most of them.

Looking forward to seeing you around our library, from the Library Team.
This term in Children's Liturgy we will be reading stories for the Veggitales bible story book. Our first story is called the ballad of little Joe. It’s about the story of Joseph, his brothers and he’s colorful coat. At Children's Liturgy, children will hear a bible verse or parable story, which will then be discussed, followed by songs of praise and prayers. We welcome all children to join us each week during the Sunday 10.30 am Mass. Lessons run for around 20 minutes, (all children under 4 must be accompanied by an adult). For further information about Children's Liturgy at St Francis of Assisi, or to offer assistance in helping run our sessions, please contact the Parish Office. We hope to see you there!
